

ONE HUNDRED COMPLETED HER MAIDEN VOYAGE.

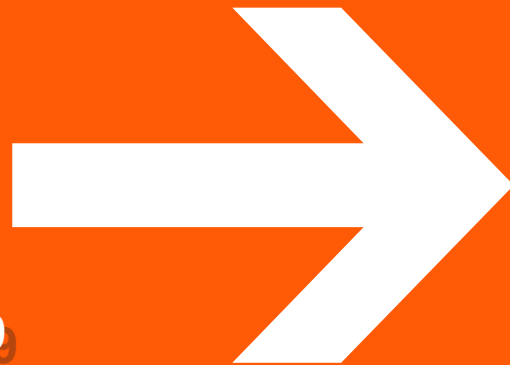

DESTINATION: GREEK ISLANDS FOR 2009!

From stern to bow: one large "open air" living. One Hundred feet of living space. The open yacht concept pushed to the limit. A large glass covered enclosure with the main bridge flows onto the open deck space.

The full-length imperceptible crystal shell offers uninterrupted stylish accommodation, without visible divisions between exterior and interior living space yet protected from the elements. [See more ->](#)
